

Woodland Management Workshop

Wednesday September 16, 2026
9 am (Lunch to follow)
21204 W. Ballou Road, Wilmington, Illinois

Join the Will-South Cook Soil and Water Conservation District at the Issert Family Farm in Wilmington to learn about woodland management. Steve Issert and representatives from the Illinois Department of Natural Resources and the Will County Forest Preserve District will discuss the establishment of new woodland stands, timber stand improvement, managing invasive species, and safety considerations while in the woods, as well as funding programs available to the public.

**Please RSVP to the District Office at (815)462-3106 ext. 3 or
info@will-scookswcd.org by Friday, September 11.**
